MATTER UNDER CONSIDERATION:

Possible Inclusion of Late-Filed Hearing Exhibit No. 180 in the Record of the Case

HEARING OFFICER ACTION:

South Carolina Coastal Conservation League (“SCCCL”) and the Southern Alliance for Clean Energy (“SACE”) filed a purported late-filed Exhibit No. 180 with the Commission, asserting that leave to file late-filed Hearing Exhibit No. 94 concerning model securitization legislation opens the door for the late filing of purported Hearing Exhibit No. 180. The Joint Applicants, South Carolina Electric & Gas Company, Inc. and Dominion Energy, Inc. object to inclusion of Hearing Exhibit No. 180 in the record of this case. The objection is sustained. The Commission did not authorize, nor did SCCCL and SACE request authority to make any additional or supplemental filings related to securitization legislation. The filing of late-filed Hearing Exhibit No. 94 completed the requirements of the original SCCCL and SACE request. Since the evidentiary record in the case is now closed, the Joint Applicants and other parties have no opportunity to respond to late-filed Hearing Exhibit No. 180. The filing is untimely, the objection is sustained, and, although

the Exhibit may be marked for identification, it shall not be accepted into the record. The Commission did not rely on, nor consider the Exhibit in reaching a disposition of these Dockets on December 14, 2018. This completes the Hearing Officer's Directive.
